The Utah State Tax Commission cannot process 2014 Individual Income Tax returns until the IRS accepts federal returns. (The IRS anticipates this date to be January 20, 2015.) This includes both electronic and paper returns. Filing electronically when it becomes available is the fastest way to get your refund (2 – 4 weeks). If you file by paper, it will take 6 – 8 weeks. Do not file a paper return if you file electronically, as it will slow down the process.
